Today Giancarlo Fisichella was a guest of the eSafety Challenge 2009 event at the Vallelunga race track near Rome, an event co-founded by the FIA and hosted by ACI, promoting road safety. With the Roman driver, for the first time officially as a Ferrarista, some other personalities from the world of Formula 1 and Rally went onto the track, such as Heikki Kovalainen, Robert Kubica and Tom Kristensen, just to name a few.
